---

### **Meyer Poon Memorial Award Seminar (2008)**

The previous schedule was blown away by Typhoon and is now re-scheduled at 6:15pm on Monday 29 Sept 2008 in the same room, EF305.

#### **Seminars:**

- 1. Noise Control in Air Conditioning and Ventilation System**
- 2. Duct Noise Control By Reflection**
- 3. Green building design using double skin façade for impact and ventilation control**
- 4. Effects on Residents due to Low Frequency Noise from Heavy Vehicles**

**Speakers: Candidates from HK Polytechnic Univ and Univ of Hong Kong**

**Venue: Hong Kong Polytechnic University, Room EF305**

**Time: 6:15-8:30 pm, Monday, 29 September 2008**

Four outstanding candidates are shortlisted for the 2008 Meyer Poon Memorial Award (undergraduate category). Each candidate will give a 20-min seminar followed by questions from and discussions with a panel of assessors. The award ceremony for the winning candidates will be held immediately following a brief panel discussion.

The seminars are free of charge. Both members and non-members are welcome.

Enquiries please send to the undersigned at: [who@wal.hk](mailto:who@wal.hk).
