

# THE SOUND OF SPEECH

Jointly Organized by  
The Hong Kong Institute of Acoustics, The Hong Kong Society of Audiology and  
The IVE (Morrison Hill) Student Branch of HKIOA

Speaker: Dr. Kevin YUEN Chi Pun  
Department of Special Education and Counselling,  
The Hong Kong Institute of Education  
Venue: Lecture Theatre 01, IVE (Morrison Hill), 6 Oi Kwan Road, Wan Chai, Hong Kong  
Time: 8 April 2013 (Mon), from 6 pm to 8 pm

## **Programme Highlights:**

**Dr Yuen** is an Associate Head/ Assistant Professor in the Department of Special Education and Counselling, The Hong Kong Institute of Education. His research focus is in speech perception among children with hearing loss or other forms of listening difficulties.

This seminar will illustrate how different speech sounds are created by the generation of sound energy from the vocal folds with differential distribution of sound energy via different positioning of the structures in the vocal tract. The physiology and acoustics of phonation and the acoustic properties of various speech sounds will be presented.

## **Registration**

For registration, please submit the form at [http://www.wal.hk/hkioa/Sound\\_of\\_Speech.html](http://www.wal.hk/hkioa/Sound_of_Speech.html) by 28 March 2013. The seminar is free of charge for all members, related professionals, interested persons, and first-come first-served based. Hence, please register early to reserve your seat.

For any enquiries, please contact Mr. Wilson HO at [who@wal.hk](mailto:who@wal.hk).

**Wilson HO**  
Chairman, Activities Sub-committee of HKIOA
