

QUALITY BUILDING AWARD 2024

Pre-award Seminar Series

Seminar 2 — Creating Sustainable and Resilient Cities: Integrating ESG Principles in Buildings

The Quality Building Award 2024 Pre-award Seminar Series aims to showcase the success stories of past winners. The second seminar, themed “Creating Sustainable and Resilient Cities: Integrating ESG Principles in Buildings,” explores the integration of ESG principles in urban planning and development, focusing on different building types. We aim to highlight the importance of sustainability, environmental stewardship, social inclusivity, and good governance in creating sustainable and resilient cities.

About the Quality Building Award 2024

The Quality Building Award (QBA) is a prestigious biennial recognition for exceptional teamwork and professionalism in designing and constructing quality buildings across Hong Kong, Mainland, Macau, Taiwan, and overseas. Organized by nine leading institutions in the property and construction sectors and chaired by the Hong Kong Construction Association (HKCA), the QBA 2024 encourages innovation, sustainability, and happiness with the theme of “Empowering Innovation | Sustaining Green | Generating Wellness”. It continues to honor outstanding contributions and advance Hong Kong’s development.
